

# THE JOHN LAUTNER FOUNDATION

## Membership

Your membership in the Foundation gives you certain privileges: discounts on merchandise and events, newsletter, occasional "members-only" offers. More than these benefits, though, your membership helps the Foundation maintain the valuable and extensive John Lautner Archive, present educational events, assist students and others in learning about Lautner's work, work with museums and publishers on Lautner research, and assist owners in maintaining and remodeling Lautner buildings.
